I got rid of some of the bullets that didn't pertain to the activities today including POTUS and water issues that occurred yesterday. I reduced the OSCs to 1 for a total of 13 personnel not knowing if any other numbers changed. I don't know the exact time this is needed but have heard 1900 each day. Let me know if this is what you wanted and please e-mail me a copy of the final. The first 3 bullets are basically in the POLREP which is on OSC.net as a draft. Thanks, Jeff
